

Задание 1)

- a) Clubbing, going for a run, playing the guitar, rollerblading, skiing, surfing the internet
- b) I enjoy only surfing the internet of these things. Other things I don't like because this activity isn't for me. In free time I usually play computer games or learn to sing.

Задание 2)

Задание 3)

The most popular were a Reading a newspaper or magazine and Going for a walk.

The least popular were playing computer games and playing on musical instrument

In my country computer games one of the most popular kind of activity so I was surprised when I heard only 11% in results. Now in XXI century newspapers and

magazines became less popular because most people prefer online format rather than paper

Задание 4)

- a) Going to the – gym
- b) Going for a – run
- c) Going + -ing – swimming
- d) Playing video games
- e) Doing business
- f) Other verbs renting a video

Задание 5)

With Galkin Ivan:

- 1) We both like to going to the cinema
- 2) We both like playing computer games
- 3) We both like going to a walk
- 4) We both like watching serials
- 5) We both like listening to music
- 6) We both like learning musical skills

We can't compare our list with lists other students but we sure what other students don't like learning musical skill like we
